

Redmine - Defect #20559

Project copy does not copy custom field settings

2015-08-18 17:00 - Laurent Breuillard

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Projects	Estimated time:	0.00 hour
Target version:		Affected version:	2.6.5
Resolution:	Duplicate		
Description			
When making a project copy by going to /redmine/projects/template/copy custom field check boxes on the new project form are not set, all are unchecked. After project copy all custom field values are lost.			
Copy the defect #20360 for the release 2.6.5 where I have the same issue.
