

Redmine - Defect #20628

Standard field (Due Date) for Redmine not showing as required.

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues workflow	Estimated time:	0.00 hour
Target version:		Affected version:	2.6.2
Resolution:	Duplicate		
Description I'm using Redmine 2.6.2. Logged as admin user, standard field (Due Date) not required when adding a new issue, despite having set up as required on workflow field permission. I mean, When logged as other user (not admin) it works fine (appears an red asterisk besides Due Date field), but i need to prevent ALL users to not forget to fill due date, even they are admin users. Is that a bug ? Possible to fix it ? Thanks!
