Redmine - Defect #2068

[source:XYZ@latest#L142 Line 3434] will not be converted

2008-10-22 12:48 - Karl Heinz Marbaise

Status:	New		**Start date:**	2008-10-22
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Importers		**Estimated time:**	0.00 hour
Target version:				
Resolution:			**Affected version:**	

Description

The importer does not correctly handle the following situation

```
[source:/tags/JAGOSI-0.0.10/jagosiapi/src/main/java/com/soebes/jagosi/api/JaGoSI.java@latest#L143
Line 143]
```

.

This should be converted into a thing like

```
source:XYZ@HEAD
```

.

The same with this issue. Is there any feedback on this? Is this still reproduceable with Redmine 2.2.x?

I'm not able to test those trac issues.
