- Subject changed from No "external" class when bare url is used in Markdown formatter to Bare URLs in Markdown don't have "external" class

Go MAEDA wrote:

The following patch fixes this issue.

Unfortunately, it breaks some tests.

Failure:

```
ApplicationHelperTest#test_attachment_links_to_images_with_email_format_should_not_be_parsed [test/helpers/app
lication_helper_test.rb:709]:
Expected /<p><a class="attachment" href="\attachments\75">image@2x.png</a> should not be parsed in image@2x
.png</p>/ to match "<p><a class=\"attachment\" href=\"/attachments/75\">image@2x.png</a>\\" class=\"external s
hould not be parsed in <a href=\"mailto:image@2x.png\" class=\"external\">image@2x.png</a></p>\n".
```

```
bin/rails test test/helpers/application_helper_test.rb:698
```

```
.....F
```

Failure:

```
ApplicationHelperTest#test_user_links_with_email_as_login_name_should_not_be_parsed_markdown [test/helpers/app
lication_helper_test.rb:430]:
Expected /<p><a class=\"user active\".*>Bob Doe</a> should not be parsed in <a href=\"mailto:jsmith@somenet.f
oo\">jsmith@somenet.foo</a></p>/ to match "<p><a class=\"user active\" href=\"/users/14\">Bob Doe</a>\\" clas
s=\"external should not be parsed in <a href=\"mailto:jsmith@somenet.foo\" class=\"external\">jsmith@somenet.f
oo</a></p>\n".
```

```
bin/rails test test/helpers/application_helper_test.rb:424
```

#4 - 2018-07-15 07:09 - Go MAEDA

- Target version deleted (Candidate for next minor release)

#5 - 2019-11-06 11:12 - Jan from Planio www.plan.io

- Related to Feature #32424: CommonMark Markdown Text Formatting added

#6 - 2021-08-12 09:22 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Wont fix

The CommonMark formatter that will be available in Redmine 5.0.0 ([#32424](#)) correctly adds an "external" class. The existing RedCarpet based Markdown formatter still has this bug, but I don't think we need to make any effort to fix it because it is going to be dropped in the near future.

#7 - 2023-08-31 10:38 - Go MAEDA

- Has duplicate Feature #39003: Add css class to external links in markdown added
