

Redmine - Defect #2086

Newly created trackers do not appear in the New Issue drop down

2008-10-24 15:54 - Laurent Brack

Status:	Closed	Start date:	2008-10-24
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description I am fairly new to Redmine so maybe I have missed something, however, I added a new tracker (admin>tracker) and used the same workflow as "bug". When entering a new issue, the new tracker was not in the drop down list. Redmine 0.7.devel.1942 (MySQL) Default administrator account changed False File repository writable True RMagick available (optional) True			

History

#1 - 2008-10-24 17:22 - Jean-Philippe Lang

- Status changed from New to Closed
- Affected version (unused) deleted (devel)
- Resolution set to Invalid

You have to associate the newly created tracker with your projects.
Go to your project settings and check the new tracker in order to enable it.
