Resolution:	Invalid		
Description			
<p>Hi,</p> <p>I have installed version 2.3 from one server. Now i want to move all datas from 2.3 version to 3.0. The 3.0 Version installed in different server. I have downloaded all files from version 2.3 including database and i imported database into new version 3.0. Imported successfully with no error but it is not working.</p> <p>Thanks</p>
