

## Redmine - Defect #20993

### auto-importing GPG signature file

2015-10-15 01:31 - Monty Cantsin

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Low	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Email receiving	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	
<b>Resolution:</b>	Duplicate		
<b>Description</b>			
<p>When replying to a Redmine mail by e-mail, with a GPG signed mail, redmine automatically adds the attached signature file (signature.asc) to the respective issue/task of the project.</p> <p>For users using GPG signed e-mails by default, this adds a lot of unnecessary editing, - deleting of signature.asc files, - in Redmine.</p> <p>Would be nice to have a filter within redmine that recognizes such files.</p>
