Description			
<p>Hello,</p> <p>I use the latest version of redmine and when the API Rest is activated, I can't go to my account page I ve got this error :</p> <pre>Started GET "/redmine/my/account" for at 2015-10-15 10:43:30 +0200 Processing by MyController#account as HTML Current user: ccc (id=5) Rendered users/_mail_notifications.html.erb (17.4ms) Rendered users/_preferences.html.erb (5.3ms) Rendered my/_sidebar.html.erb (4.7ms) Rendered my/account.html.erb within layouts/base (39.3ms) Completed 500 Internal Server Error in 51ms (ActiveRecord: 4.5ms)</pre> <p>ActionView::Template::Error (No route matches {:action=>"show_api_key", :controller=>"my"}):</p> <pre>21: <% if Setting.rest_api_enabled? %> 22: <h4><%= l(:label_api_access_key) %></h4> 23: <div> 24: <%= link_to l(:button_show), {:action => 'show_api_key'}, :remote => true %> 25: <pre id='api-access-key' class='autoscroll'></pre> 26: </div> 27: <%= javascript_tag("\$('#api-access-key').hide();") %> app/views/my/_sidebar.html.erb:24:in `__app_views_my__sidebar_html_erb___3604902527302737899_7024 2405852180' app/views/my/account.html.erb:56:in `block in __app_views_my_account_html_erb___883336876389597527 _70242404894200' app/views/my/account.html.erb:55:in `__app_views_my_account_html_erb___883336876389597527_70242404 894200' lib/redmine/sudo_mode.rb:63:in `sudo_mode'</pre> <p>If the Rest Api is deactivated there is no probleme...</p> <p>Thank for help</p>			

Associated revisions

Revision 14677 - 2015-10-15 20:45 - Jean-Philippe Lang

Named routed for RSS/API keys (#20997).

History

#1 - 2015-10-17 11:25 - Jean-Philippe Lang

- Status changed from New to Closed
- Assignee set to Jean-Philippe Lang

I can not reproduce this error.
I've changed this with named routes in [r14677](#) anyway, this routing error should no longer happen.

#2 - 2015-11-04 09:48 - zhixin wen

Same problem, solved with your changed [r14677](#), thanks!
