Description			
Hi,			
I work on redmine version 3.1.1 and i can't upload file with "[" in name.			
Thanks.			

History

#1 - 2015-10-20 04:16 - Toshi MARUYAMA

- Tracker changed from Patch to Defect
- Category set to Attachments

#2 - 2015-11-06 05:30 - Toshi MARUYAMA

- Status changed from New to Needs feedback

I cannot reproduce.

```
Started POST "/uploads.js?attachment_id=1&filename=test%5B%5D.txt&content_type=text%2Fplain" for 192.168.11.1
0 at 2015-11-06 13:28:56 +0900
Processing by AttachmentsController#upload as JS
  Parameters: {"attachment_id"=>"1", "filename"=>"test[1].txt", "content_type"=>"text/plain"}
  Current user: admin (id=1)
Saving attachment '/REDMINE/MY-REDMINE/redmine-4000/files/2015/11/151106132856_49ec543a2dfd6263652f5168d6956ea
6.txt' (6 bytes)
  Rendered attachments/upload.js.erb (1.9ms)
Completed 200 OK in 179ms (Views: 5.5ms | ActiveRecord: 129.0ms)
```
