

## Redmine - Feature #21450

### Totals for Total estimated time and Total spent time

<b>Description</b>			
There are missing totals for <i>Total estimated time</i> and <i>Total spent time</i> .			
The totals are also very useful as they allow to build nice project overview, e.g. show only root items and see/summarize all the effort without getting into details.

- File Add Total Estimated Time on Group Options.patch added

Here is a patch I created to add the *Total Estimated Time* field on issues queries groups for version planning purposes.  
I'm using redmine version 3.3.0.stable.50.

- File Selection\_514.png added

Verified against Redmine 3.4.2, yet reproduces.  
We will really love this feature
