

Chinese symbols in issues after upgrade to 3.2.0

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:			
Resolution:	Invalid	Affected version:	3.2.0

When I go to any issue I see chinese symbols.

Description

When I update the page in browser then it shows

Milestones:

But when I log out from redmine and login again and open same task I see chinese symbols again.

History

#1 - 2015-12-17 01:54 - Toshi MARUYAMA

- Status changed from New to Closed
- Resolution set to Invalid

There is no i18n "Milestones" key in Redmine core.

#2 - 2015-12-17 02:47 - Go MAEDA

It might be caused by a third party plugin.
