

Redmine - Patch #21582

Performance in User#roles\_for\_project

2015-12-22 00:33 - Ondřej Ezr

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Performance	Estimated time:	0.00 hour
Target version:	3.3.0		
Description			
roles are duplicating a scope not an result, thus every hit produce a query, cached, but it is still not desired.

Revision 15060 - 2016-01-16 08:50 - Jean-Philippe Lang

Performance in User#roles\_for\_project (#21582).

Patch by by Ondřej Ezr.

History

#1 - 2016-01-10 04:13 - Go MAEDA

- Target version set to 3.3.0

I think we can remove the last 'dup' method from Ondřej Ezr's patch because ActiveRecord::Associations::CollectionProxy#to\_a returns copied objects.

```
# File activerecord/lib/active_record/associations/collection_proxy.rb, line 943
def to_ary
  load_target.dup
end
```

#2 - 2016-01-10 12:37 - Ondřej Ezr

true, I just put to\_a there with heureka feeling, but you are right dup is meaningless now :)

#3 - 2016-01-10 17:01 - Go MAEDA

Thanks for your feedback. Nice eureka!

#4 - 2016-01-16 08:50 - Jean-Philippe Lang

- Subject changed from Performance in roles to Performance in User#roles\_for\_project
- Status changed from New to Closed
- Assignee set to Jean-Philippe Lang

Committed, thanks.
