Category:	UI	Estimated time:	0.00 hour
Target version:	3.2.1		
Description			
Currently all headings within a .wiki container have the same margins. When changing these margin in a theme, the contextual edit icons do not align with their headings anymore.			
This patch adds a class to the contextual edit buttons in order to style them for their corresponding headlines.

History

#1 - 2015-12-23 11:08 - Jan from Planio www.plan.io

- Target version set to Candidate for next minor release

Since this can be generally useful for themes and is a minor change, I'd suggest that for the next minor release.
