## Redmine - Defect #21595

# LDAP test pass when LDAP admin user is expired

2015-12-23 13:20 - Riccardo Pelliccioli

Status: New Start date:

Priority: Normal Due date:

Assignee: % Done: 0%

Category: LDAP Estimated time: 0.00 hour

Target version:

Resolution: Affected version: 3.1.1

### Description

When your LDAP Administrator password has expired the LDAP connection test pass when all the LDAP users aren't able to login.

Workaround: renew the LDAP Administrator password (or the user used to integrate with redmine) or set the password noexpiry option

Tested with:

Redmine version 3.1.1.stable

Ruby version 1.9.3-p551 (2014-11-13) [x86\_64-linux]

Rails version 4.2.4

LDAP SAMBA 4 in AD mode

#### History

#### #1 - 2020-11-17 01:51 - Andrew Mo

The LDAP test will also pass when the credentials were completely wrong. This is probably related to #4483
