why should it be not allowed for users to edit user related information like password or timezone?

#2 - 2016-02-11 15:32 - Robert Schneider

For question please use the forum. Use issues only for bug reports and (non-individual) feature requests.

#3 - 2016-02-29 13:03 - Toshi MARUYAMA

- Status changed from New to Closed
- Resolution set to Wont fix
