

Redmine - Patch #2198

print short list of users in overview page of project

2008-11-15 17:48 - Anh Kỳ Huỳnh

Status:	New	Start date:	2008-11-15
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Projects	Estimated time:	0.00 hour
Target version:			
Description			
What happens if a project has many users? In the overview page of project the list of user will be very very long.			
The patch will help you to print 25 last users of the project			

History
