Added a new patch with test

##### #4 - 2016-07-18 14:23 - Toshi MARUYAMA

- Target version set to 3.4.0

##### #5 - 2016-10-01 14:36 - Jean-Philippe Lang

I know that the UI offers a convenient way to update all the attachments of an issue at once but the REST API should not work this way. The resource here is the attachment and just like we support GET /attachments/:id.json or DELETE /attachments/:id.json, we should implement PATCH /attachments/:id.json to update an attachment.

##### #6 - 2016-10-01 15:22 - Jean-Philippe Lang

- Subject changed from Add support for updating issue attachments over REST-API to Add support for updating attachments over REST API

- Status changed from New to Closed

- Assignee set to Jean-Philippe Lang

Feature added in [r15861](#).
