Notify the user of missing attachments (#22401).

under certain (rare) circumstances it may happen that, when an issue or other container is saved, added attachments have already been removed (i.e. by the attachments:prune rake task). This patch adds a validation error to the container in this case.

Patch by Jens Kraemer.

History

#1 - 2016-04-08 15:25 - Jan from Planio [www.plan.io](#)

- Target version set to Candidate for next minor release

#2 - 2016-05-01 15:16 - Toshi MARUYAMA

- Target version changed from Candidate for next minor release to 3.3.0

#3 - 2016-05-07 12:32 - Jean-Philippe Lang

- Subject changed from notify the user of missing attachments to Notify the user of missing attachments
- Category set to Attachments
- Status changed from New to Closed
- Assignee set to Jean-Philippe Lang

Committed, thanks. I used the existing warning\_attachments\_not\_saved i18n string instead of adding a new one.
