Target version:			
Resolution:	Invalid	**Affected version:**	3.2.0

Description

In my commit, I have the following content:

[Fixes #2436] Adding new text in a contenteditable/list item converts spaces into

But in the content displayed on the revision page, the following is displayed:

[Fixes #2436] Adding new text in a contenteditable/list item converts spaces into

The content in the changesets table correspond to the content listed in the commit, so it appears to be only display related.

```
Redmine version              3.2.0.stable
  Ruby version               1.9.3-p551 (2014-11-13) [x86_64-linux]
  Rails version              4.2.5
  Environment                production
  Database adapter           Mysql2
```
