

Redmine - Patch #2291

Make logged-in username in topbar linking to my_account_show-view

2008-12-07 06:38 - Mischa The Evil

Category:	UI	Estimated time:	0.00 hour
Target version:	0.8		
Description The username of the currently logged-in user in the top menubar could link to the current user's own account page (my_account_show). This patch is an extraction of commit e4722216ff3893f032dc9a757715a161afb51339 in Texuna Technologies' Github-fork . Thanks goes out to Artem Vasiliev for this modification...

Revision 2109 - 2008-12-07 14:12 - Jean-Philippe Lang

Makes logged-in username in topbar linking to (#2291).

History

#1 - 2008-12-07 14:13 - Jean-Philippe Lang

- Status changed from New to Closed
- Target version set to 0.8

Functionality added in [r2109](#).
I don't any reason to link to MyController that does a redirect. So I linked it directly to /accout/show.
