Category:	Issues		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Invalid			

Description

It would be great if you/we are able to open an issue directly in edit mode from the list of issues.

If this already exist, please apologize my google capabilities

History

#1 - 2016-06-07 18:35 - budo kaiman

If you right-click on an issue from the issue list, there is an edit option in the context menu.

#2 - 2016-07-04 06:51 - Toshi MARUYAMA

- Status changed from New to Closed

- Resolution set to Invalid
