Revision 2125 - 2008-12-12 17:01 - Jean-Philippe Lang

Escape back\_url field value (#2320).

History

#1 - 2008-12-12 11:05 - Jean-Philippe Lang

I'm not able to reproduce.  
Could you post the error stack trace please?

#2 - 2008-12-12 13:57 - Denis Tomashenko

Sorry, I do not have this information and don't know where I can see this.  
But I found why you do not been able to reproduce the error. I'm used non latin characters for search (eg. russian).  
For latin chars all OK.

#3 - 2008-12-12 15:25 - Jean-Philippe Lang

What do you mean by "Use search": just clicking on the search link or submitting a search request or something else?

#4 - 2008-12-12 15:32 - Jean-Philippe Lang

OK, i'm able to reproduce.

#5 - 2008-12-12 17:02 - Jean-Philippe Lang

- Status changed from New to Closed
- Affected version (unused) set to 0.8.0-RC1
- Resolution set to Fixed

That should be fixed by [r2125](#).
