Category:	Activity view		**Estimated time:**	0.00 hour
Target version:				
Resolution:				

Description
There are too many activites displayed in main projects overviews, can you narrow them by search filters (with max results per page) like in issue tracking tab?

History

#1 - 2016-08-11 18:48 - Toshi MARUYAMA

- Category changed from Projects to Activity view

#2 - 2016-08-11 18:50 - Toshi MARUYAMA

- Status changed from New to Needs feedback

"Settings" -> "General" -> "Days displayed on project activity"
