

Redmine - Defect #2335

New issues do not appear in Activity list

2008-12-13 10:54 - Brad Schick

Status:	Closed	Start date:	2008-12-13
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	0.8	Affected version:	
Resolution:	Fixed		

Description

I am finding that newly created issues do not appear in the Activity list. Updates to issues appear as expected, however. My installation is for a non-software project, so there is no changesets activity, only issues.

Server Setup

Redmine [r2113](#)

Ubuntu 8.04 32bit

Ruby 1.8.6

Rails 2.1.2

Mongrel 1.1.5

MySql 5.0.51a

Apache 2.2 mod_proxy
