History

#1 - 2016-07-27 14:28 - Toshi MARUYAMA

- Status changed from New to Needs feedback

Please describe more details. What do you expect.

#2 - 2016-07-27 14:33 - laurent plassard

sorry,
when i follow an issue, she appears on my page in table "follow issue" but when i closed this issue, she disappear on this table however i follow this issue.

#3 - 2016-07-27 14:49 - Toshi MARUYAMA

- Status changed from Needs feedback to Closed
- Resolution set to Invalid

Because it shows only open issues.
