Redmine - Feature #23448

Allow updating existing issues via CSV import when their ID's are the same

2016-07-27 17:09 - Xavier Godon

Target version:				
Resolution:				

Description
I'd like to have the possibility to update issues with a csv import.   Atm, if i import a task with an already existing ID, the ID changes and a new task is created.

Hi All,

Is this issue still exist or can we update the existing tickets with importing the csv file.

Thanks & Regards,
