Redmine - Defect #2359

Security mailing list

2008-12-19 02:10 - Eric Davis

Status:	Closed		**Start date:**	2008-12-19
Priority:	Normal		**Due date:**	
Assignee:	Jean-Philippe Lang		**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:				
Resolution:			**Affected version:**	

Description

There should be a security email list that users can send mail to about potential security bugs. This email should be added to the wiki and the orange warning box when opening a new issues on Redmine.org

Ideally, this could even be linked to a private project on Redmine.org so security issues can be worked in privately and then moved ("released") into the main Redmine project once a valid patch is ready.

History

#1 - 2008-12-19 02:20 - Eric Davis

Until this is setup, any security reports can be sent to myself or Jean-Philippe. My email is on my account page.

#2 - 2008-12-19 11:01 - Jean-Philippe Lang

Mailing list created (security at redmine dot org). Information added on SubmittingBugs.

#3 - 2008-12-19 12:52 - Jean-Philippe Lang

- Status changed from New to Closed

Private project also added.
