Category:		Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
<p><b>Description</b></p> <p>Thank you for developing such a wonderful tool.</p> <p>I wanted to have the link of "Planning" displayed in "Issues" by linking on side-bar as well as "Overview", and the tag of "Planning_links" existed when I confirmed "App/views/issues/_sidebar.rhtml".</p> <p>I deleted the 9-17th line, and inserted the following in the first line. ("Planning" was moved most up because of thinking that that is more natural. )</p> <pre>&lt;% planning_links = []   planning_links &lt;&lt; link_to_if_authorized(l(:label_calendar), :controller =&gt; 'issues', :action =&gt; 'calendar', :project_id =&gt; @project)   planning_links &lt;&lt; link_to_if_authorized(l(:label_gantt), :controller =&gt; 'issues', :action =&gt; 'ga ntt', :project_id =&gt; @project)   planning_links.compact!   unless planning_links.empty? %&gt; &lt;h3&gt;&lt;%= l(:label_planning) %&gt;&lt;/h3&gt; &lt;%= planning_links.join('   ') %&gt; &lt;%= call_hook(:view_issues_sidebar_planning_bottom) %&gt; &lt;% end %&gt;</pre> <p>A part of of this to quote from the 59-66th line of "App/views/projects/show.rhtml", and is putting of the hand. Though it might be not correct. Especially, part of "Aaa""call_hook...".</p> <p>Redmine version      0.8-stable <a href="#">r2146</a> Ruby version        1.8.6 (i486-linux) RubyGems version    1.1.1 Rails version        2.1.1</p>			

History

#1 - 2008-12-24 03:01 - ko simo

Especially, part of "Aaa""call\_hook...".

"Aaa" :I forgot to erase.

#2 - 2008-12-29 13:47 - Jean-Philippe Lang

I'm not able to reproduce this problem. These links are properly displayed if the user has the appropriate permissions.  
Please give the exact steps to reproduce.

#3 - 2009-01-05 10:28 - ko simo

I'm very sorry.  
There was no problem when 0.8.0 was set up and confirmed.  
It troubled you.

#4 - 2009-02-26 05:18 - Brad Rushworth

- *Status changed from New to Resolved*

Seems the problem was corrected.

**#5 - 2010-10-18 06:35 - Mischa The Evil**

- *Status changed from Resolved to Closed*

- *Resolution set to Invalid*

Thanks for the feedback.
