

Redmine - Patch #23978

Make the email notifications for adding/updating issues more readable/clear

2016-10-04 00:13 - Marius BĂLTEANU

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Email notifications	Estimated time:	0.00 hour
Target version:	3.4.0		

Description

The attached patch (improvements_to_email_notifications.patch) adds the following changes to the email notifications sent when an issue is added or updated.

1. Adds a delimiter between the email header ("Issue #x has been updated by y") and the rest of the email only for the notifications sent on update (this delimiter is not required for reported issue notifications).
2. Adds the styles implemented in [#20370](#) for both type of emails
