Category:	Custom fields	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description			
Wouldn't it be great if one could use custom fields as filter for projects? just like the way it works with issues.			
Related issues:			
Is duplicate of Redmine - Feature #29482: Query system for Projects page			Closed

History

#1 - 2011-03-23 07:55 - Toshi MARUYAMA

- Category set to Custom fields

#2 - 2018-09-08 09:04 - Marius BĂLTEANU

- Status changed from New to Closed

- Resolution set to Duplicate

I think the request here is to have the possibility to filter the projects lists after projects custom fields. If yes, I'm closing in favour of [#29482](#) which adds this option.

Please reopen if I misunderstood you request.
