Redmine - Defect #24014

Custom fields not used in project should not be visible in spent time report

2016-10-07 13:41 - Maxim Krušina

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Jean-Philippe Lang		**% Done:**	0%
Category:	Time tracking		**Estimated time:**	0.00 hour
Target version:	3.3.1			
Resolution:	Fixed		**Affected version:**	3.3.0

Description
We have really lot of custom fields, mostly used by only some trackers/projects. Anyway I just found, when working with project Spent Time report and adding new filter, there are listed all issue's custom fields defined across whole redmine, which doesn't make sense and also it floods select list with so much (even non usable) items.
