

Redmine - Defect #2402

Darcs test unit wrong repos content.... Mercurial's one duplicated

2008-12-26 19:43 - yves dufour

Status:	Closed	Start date:	2008-12-26
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	SCM	Estimated time:	0.00 hour
Target version:	0.8.1	Affected version:	
Resolution:	Fixed		
Description			
Darcs gunzip < test/fixtures/repositories/darcs_repository.tar.gz tar -xv -C tmp/test same content as Mercurial one (watchers.rb) so tests fail .. <pre>def test_cat @repository.fetch_changesets cat = @repository.cat("sources/welcome_controller.rb", 2) assert_not_nil cat assert cat.include?('class WelcomeController < ApplicationController') end</pre>			

Associated revisions

Revision 2231 - 2009-01-04 14:24 - Jean-Philippe Lang

Fixed: Darcs adapter works on Win32 only (wrong quotes in commands #2402).

Revision 2232 - 2009-01-04 14:27 - Jean-Philippe Lang

Merged r2231 from 0.8-stable (#2402).

History

#1 - 2008-12-27 17:48 - Jean-Philippe Lang

same content as Mercurial one

Same files but one is a Mercurial repository, and the other one is a Darcs repository.

so tests fail

Tests pass for me. Maybe you could post the test failure?

#2 - 2008-12-28 07:05 - yves dufour

1) Failure:
test_add_file(ProjectsControllerTest)
[./test/functional/projects_controller_test.rb:133:in `test_add_file'

```

331 tests, 1278 assertions, 7 failures, 0 errors

#3 - 2008-12-28 10:28 - Jean-Philippe Lang

OK, you've got 500 errors. So please read [Submitting Bugs](#) and attach the stack traces.

#4 - 2008-12-29 13:36 - Jean-Philippe Lang

Oh, and make sure you have Darcs installed and available in your path.

#5 - 2008-12-31 11:50 - Jean-Philippe Lang

No feedback?

#6 - 2009-01-03 14:00 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Invalid

Reopen if needed.

#7 - 2009-01-04 13:11 - yves dufour

Jean-Philippe Lang wrote:

Reopen if needed.

sorry.. for the last log (error 500) was not ther ight one...

tested with last redmine trunk ..
the command sent to DARCS was :

```
darcs show content --reporid /Users/yves/Sites/rails/redmine/tmp/test/darcs_repository --match \"hash
20080308225413-98289-21b8e42854e60a780294bdf21e21a39ba8c47eff.gz\" 'sources/welcome_controller.rb'
```

which was wrong
darcs failed: Invalid --match pattern \"hash'.
\"match\" (line 1, column 1):
unexpected \"
expecting match rule

I modified the line 139 in
redmine/scm/adapters/darcs_adapter

```
def cat(path, identifier=nil)
  cmd = \"#{DARCS_BIN} show content --reporid #{@url}\"
139   cmd << \" --match \"hash #{identifier}\" if identifier
      cmd << \" #{shell_quote path}\"
      debugger
      cat = nil
      shellout(cmd) do |io|
        io.binmode
        cat = io.read
      end
      return nil if $? && $?>.exitstatus != 0
      cat
    end
```

TO :

```
139   cmd << \" --match 'hash #{identifier}'\" if identifier
```

so the command is now :
darcs show content --reporid /Users/yves/Sites/rails/redmine/tmp/test/darcs_repository --match 'hash
20080308225413-98289-21b8e42854e60a780294bdf21e21a39ba8c47eff.gz' 'sources/welcome_controller.r

and test if good

yves

#8 - 2009-01-04 14:13 - Jean-Philippe Lang

OK, quotes are Win32 style and thus it fails on *nix OS.
I'll fix it.

#9 - 2009-01-04 14:25 - Jean-Philippe Lang

- Status changed from Closed to Resolved
- Resolution changed from Invalid to Fixed

I've fixed DarcsAdapter in [r2232](#), using the appropriate quotes depending on the OS.
Please confirm it's OK. Thanks.

#10 - 2009-02-19 19:48 - Jean-Philippe Lang

- Category set to SCM
- Status changed from Resolved to Closed
- Target version set to 0.8.1
