

Redmine - Defect #24116

Tickets are not created if the email contains some of the special character

2016-10-21 07:32 - Piyush Jain

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Email receiving	Estimated time:	0.00 hour
Target version:		Affected version:	3.3.0
Resolution:	Duplicate		
Description Hey Team, I have Installed the redmine Environment: Redmine version3.3.0.stable Ruby version2.3.1-p112 (2016-04-26) [x86_64-linux] Rails version4.2.6 Environmentproduction Database adapterMysql2 Am using email to task for creating issues, but when the email contains any special symbol like "ñ" [] The tickets are not being created, is there any fix or workaround for the issue, as we cannot ask each and every user to change their mail signatures.

Check your MySQL encoding: #21398.

Thank you for your update, I checked with the test environment and changing the MySQL encoding did the work.

#3 - 2016-10-21 14:48 - Toshi MARUYAMA

- Status changed from Needs feedback to Closed
- Resolution set to Duplicate

Thank you for your feedback.
