Description			
In mail notification setting, we can see the following options which start with "Only for ...". <ul style="list-style-type: none">• Only for things I watch or I'm involved in• Only for things I am assigned to• Only for things I am the owner of The phrase "I watch" is only included in the first one, but actually notifications for watched objects will be sent in all of the above options. I think it is misleading. I suggest changing these strings to like the following: <ul style="list-style-type: none">• Only for things I watch or I am assigned to• Only for things I watch or I am the owner of
