Hi,

This is not a question. But an issue. See attached screenshot.

The start date should automatically get added when a ticket is created which is not happening.

If this can be fixed by configuration in Redmine then, please share documentation link/steps to do the same.

#3 - 2016-11-04 13:16 - Toshi MARUYAMA

- Status changed from Reopened to Closed

Settings -> Issue tracking -> Use current date as start date for new issues
