

Redmine - Defect #24297

Show action not allowed for time entries in closed projects

2016-11-08 15:09 - Felix Schäfer

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Permissions and roles	Estimated time:	0.00 hour
Target version:	3.2.5	Affected version:	
Resolution:	Fixed		
Description			
It is currently not possible to GET /time_entries/123.xml for closed projects even with the correct permissions.			
In the TimelogController currently checks if the time entry is editable for the current user on show, edit and update. This means show doesn't work for closed projects as the time entry is then not editable.
