

Redmine - Feature #24477

CSV export feature for thousand of issues

2016-11-28 19:50 - Stephane Evr

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Resolution:</b>			
<b>Description</b> <p>At the moment, it is not possible to export thousand of issues with many custom fields. The request takes either too much time to respond (resulting in timeouts if gateways are used), or too much memory.</p> <p>It would be great to have a CSV export made in batches, similar to what is done with the CSV import feature, with progress updates to the user.</p>
