Target version:			
Resolution:			
Description			
It would be great the html title of tickets could be changed from "[Type] #NNNN" to "#NNNN [Type]". As a result the issue numbers would still be readable if a high number of tabs are open e.g. in firefox.			
any hints?			

History

#1 - 2017-01-03 15:03 - Toshi MARUYAMA

- Category set to UI

#2 - 2017-11-29 16:45 - Artem Baikuzin

- File `add_issue_html_title_format.diff` added

- File `number-first.png` added

- File `settings.png` added

- File `tracker-first.png` added

This patch adds new setting:

```
Settings/Display/Issue HTML title format
```

Default setting is 'Tracker #Number: Subject':
`settings.png`

Default titles:
`tracker-first.png`

Issue number first titles:
`number-first.png`
