Thanks Marius but I found that the proposed patch adds some empty space under the title of each activity entry. I've removed the style introduced in [r15858](#).

#5 - 2017-01-27 09:00 - Marius BĂLTEANU

- File activity_on_mobile.png added

Yes, that was the only solution found by me in order to keep the activity title on a single line. Anyway, showing the entire activity title looks good for now. Attached an screenshot from mobile too with an issue with very long subject.
