Description

I think that it could be sometimes useful if there's some functionality to make a Redmine instance marked as "in maintenance". During server upgrades or somethings like this.

I have started the patch, now at about 80% of the job completed. I will submit the complete patch in less than 1 month. Thank you very much !

#2 - 2018-04-19 04:58 - June Core

any updates on this ?

#3 - 2018-10-06 12:48 - Clif Kussmaul

see #7092 and the redmine_maintenance_mode plugin

#4 - 2022-10-05 09:39 - C S

Since the said plugin doesn't seem to be updated anymore, I think native integration would make more than sense!
