### Description

Also issues list wrapped in box.

### History

**#1 - 2017-02-15 10:34 - Mischa The Evil**

Well, this might be a matter of taste but I don't find any of both these changes an improvement. I can't speak for the rest, but I don't give this much chance that it'll make it into the core. Nevertheless: YMMV.

**#2 - 2017-02-15 12:55 - Andrey Lobanov (RedSoft)**

Mischa The Evil, Thanks for your feedback.
This feature was added to our company redmine's copy by managment request.
