

Redmine - Patch #251

Patch for Feature Request #9785 (Default issues due date == assigned target version date)

2008-01-18 12:54 - Elliot Winkler

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
This patch makes it so that if a new issue is assigned to a version, but the end date isn't specified, the end date is automatically filled in with the end date of the version.			
(I hope the diff is in the right format, I've never really done this before)

History

#1 - 2010-05-16 00:29 - Felix Schäfer

- Assignee set to Eric Davis

Implemented in Eric's [issue due date plugin](#). Should we get this into core or close this issue in favor of the plugin?

#2 - 2010-10-25 17:03 - Eric Davis

- Assignee deleted (Eric Davis)

#3 - 2011-11-24 20:35 - Mischa The Evil

- Subject changed from Patch for Feature Request #9785 (Default end date) to Patch for Feature Request #9785 (Default issues due date == assigned target version date)

For referencing purposes: issue [#9785](#) on historic issue tracker.
