Description

Step 1: Create role "Clients" with those Permissions

Path: Administration -> Roles and permissions (Roles) -> New role

I`m uncheck all checkboxes on "Time tracking" area

to see on full size picture press "this"

Step 2: I`m add User to Test Project with this Role

Path: Projects -> Test Project -> Settings -> Members tab

Step 3: Go to my issues list in my Test project, and see this

Path: Projects -> Test Project -> Issues

What permissions does your Role in your print-screen? My "Client" Role had those permissions
Can you upload screen of your role permissions?

#6 - 2017-03-16 13:17 - Sergiy Melnychuk

SOLVED with triks

Step 1: Edit Custom Role "Non member"
Step 2: Uncheck "View spent time", in "Time tracking" area
Step 3: Save changes
