

Redmine - Feature #25209

Option for users to add values to list / key/value custom fields

2017-02-27 12:44 - Felix Schäfer

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Custom fields	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description Additional option for the list or key/value custom field types where users could add new values to the list, with a mechanism similar to adding new categories or versions from the issue edit pane. Also see #25208 for more details.

+1

key/values for a custom fields should be project specific, just like categories.

#3 - 2018-04-24 13:00 - Bernhard Rohloff

+1

This could be very handy, even if it's not project specific...

#4 - 2019-03-27 01:28 - Ricky Myers

+1 This is would be super useful

Hi, we have developed a plugin that replies partially to this need :

Allows to add values to new type custom fields, in each project configuration :
