Target version:	0.8.1			
Resolution:	Fixed			

Description

Sometimes I'm on a bug filing spree. On these occasions I like to just file one bug after the other, to record all the small things that would make life simpler;-)

I would like if a 'new issue' form would be opened right after sending the previous one. This could be achieved by adding a second submit button: 'Create and continue' or so.

Having a setting to enable this feature by default would be nice, too;-)

Associated revisions

Revision 2265 - 2009-01-16 18:20 - Jean-Philippe Lang

Adds a 'Create and continue' button on the new issue form, that will create the issue and display the form again (#2523).

Revision 2309 - 2009-01-24 13:27 - Jean-Philippe Lang

Merged r2265 from trunk (#2523).

History

#1 - 2009-01-16 18:18 - Jean-Philippe Lang

- Status changed from New to Resolved
