### History

**#1 - 2009-01-18 19:32 - Jean-Philippe Lang**

I'm not able to reproduce with Windows/Safari 3.2.1 (525.27.1) neither on my dev environment nor on redmine.org.

It seems to be a Rails/Safari issue:

- <http://dev.rubyonrails.org/ticket/10365>
- <http://rails.lighthouseapp.com/projects/8994/tickets/1690-safari-generate-a-500-internal-server-error-on-ajax-requests>

**#2 - 2010-02-11 20:36 - Jean-Philippe Lang**

- Status changed from *New* to *Closed*

- Resolution set to *Cant reproduce*
