Russian translation for label\_user\_mail\_option\_only\_(assigned|owner) changed by Ilya Potapov (#25397, #24177)

## History

---

### #1 - 2017-03-22 08:15 - Ilya Potapov

- File `2-ru_translation_r16388.diff` added

Made changes in `label_user_mail_option_only_assigned` and `label_user_mail_option_only_owner` to be consistent with `label_user_mail_option_only_my_events`. Just replaced with translation from old versions.

Realized that translations were lost for these labels for some reason, since they are **present** in version:3.3.0

### #2 - 2017-03-23 03:59 - Go MAEDA

- Related to Patch #25392: Change Russian translation for `field_due_date` and `label_relation_new` added

### #3 - 2017-04-03 15:34 - Jean-Philippe Lang

- Status changed from *New* to *Closed*
- Assignee set to *Jean-Philippe Lang*
- Target version set to *3.4.0*

Patch committed, thanks.

Because of #24177.

I think note-1 need to be reverted because it lost **watcher**.

Now i see. To meet both #24177 and note-1 please apply the following changes:

```

--- a/config/locales/ru.yml
+++ b/config/locales/ru.yml

So it will be just in the row with:

label\_user\_mail\_option\_only\_my\_events: Только для объектов, которые я отслеживаю или в которых участвую

Thank you.
