

Redmine - Feature #2558

Assign all new issues to myself

Category:	Accounts / authentication	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description As the main developer for all the projects in my redmine instance, I would like to get all the bugs I file assigned to me. But I think giving this option to the user would make others happy, too;-) This would probably profit most if one could configure this both project- and site-wide.

History

#1 - 2013-03-18 07:12 - Dipan Mehta

As of current version (I don't know since when this feature exists) - the "New Issue" form shows assignee which can be <<me>> provided you hold a role in a project which can be assigned an Issue.
