

Redmine - Feature #2561

Correlate workflow with Issue complete percentage

2009-01-22 15:00 - Dennis Gyor

<b>Status:</b>	New	<b>Start date:</b>	2009-01-22
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Issues	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Resolution:</b>			
<b>Description</b> <p>Currently there seems to be no dependance regarding a particular issue in the pipeline with the "% Done" of the issue. For example, we have many issues that are in a "closed" state but are still sitting at 0% Done. The roadmap is inaccurate when compared to the actual issue status. 2 possible fixes or workarounds?</p> <p>1)Give the option for the admin to set the "% Done" field to be required.</p> <p>2)In the workflow/Issue statuses allow the admin to hardcode a "% Done" value depending on the state of the issue (i.e. New status=0% complete, assigned=20% complete, resolved=90% complete, etc., etc.).</p> <p>Thank you, your product rocks and I've had it installed at 3 companies I've consulted at thus far!</p>

+1

I would like to see this feature too. I'd like to be able to specify that Closed = 100% Done. I've considered patching my instance of Redmine, but it would be better as an administrator setting (or perhaps a plugin).

#2 - 2009-02-10 23:03 - Eric Davis

- Category changed from Custom fields to Issues

[#952](#) describes this. I have a plugin that does this but it's not quite ready for release (bit on the hackish side).

Eric -- can you just attach a patch (diffs) to this bug of what you have right now anyway? I'm sure there's a ton of people out there who would rather start with what you have rather than start from scratch.

#4 - 2009-02-12 04:27 - Eric Davis

- Status changed from New to 7

- Assignee set to Eric Davis

Yea, I'll see what I can do (don't have access to it right now).

Hey Eric,  
Did you ever get access to the patch? This would be very useful to me.

Thanks.

**#6 - 2009-06-23 21:19 - Anonymous**

In some cases it might be legitimate for an issue to be closed and 0% done. Maybe for a "won't fix" resolution. You could add a 'Is Complete' box to the issue status configuration to go with the "Is Closed". Then if a status with 'Is Complete' is selected, the done % could be set to 100%.

**#7 - 2009-09-16 12:04 - Tim Bouman**

Is there an update on this matter? i still searching for something like this:

```
IF status=='Assigned' AND progress>0 AND progress<100 THEN status='In Progress'  
IF status=='In Progress' AND progress==100 THEN status='Resolved'
```

**#8 - 2009-11-23 23:47 - Eric Davis**

I've just created a patch for this on [#4274](#). It makes an issue's % done to be managed by it's Issue Status.

**#9 - 2010-10-25 17:02 - Eric Davis**

- Assignee deleted (Eric Davis)

**#10 - 2013-01-13 21:04 - Jean-Philippe Lang**

- Status changed from 7 to New

Assigned issue with no assignee back to New status.
