Description
It would be nice to be able to login in **this** tracker using OpenID. I've seen it enabled in other Redmine instances so it should be easy...

History

#1 - 2017-06-01 08:50 - Toshi MARUYAMA

- Tracker changed from Defect to Feature

- Subject changed from Enable OpenID sign-in for this own instance to Enable OpenID sign-in for redmine.org

#2 - 2021-09-05 09:41 - Go MAEDA

- Status changed from New to Closed

- Assignee deleted (Jean-Philippe Lang)

- Resolution set to Wont fix

There are almost no services that provide OpenID providers nowadays. Therefore, I don't think there is any point in enabling OpenID in redmine.org.

Also, there are discussions about dropping OpenID in future versions of Redmine. See #35755.
